

“WHY OUR CHEESE TASTES SO GOOD” CAMPAIGN

The people behind our cheese are one of the most important reasons Grande Cheese tastes so good. Let your patrons hear from them by posting these videos featuring our facilities and Associates as they share their expertise.

TIMING: This campaign can be used anytime you want to increase engagement on your social channels and bring more foot traffic to your restaurant.

HOW MUCH TO POST: We recommend spacing out the posting by a day or two. Try not to post more than one piece of content from this campaign a day.

INCLUDED IN EACH .ZIP:

1. Suggested post copy (also included in this document)
2. Links to download assets for use in Facebook or Instagram video posts OR assets for use in Facebook or Instagram static posts

SUGGESTED POST COPY OPTIONS:

PAID SOCIAL ON FACEBOOK

Putting paid support behind your posts not only allows you to reach people who don't follow you (i.e. potential customers), it also allows you to reach *all* of your followers. Organic reach, the percentage of your audience that will see each post, has severely declined. This means that even a small amount (\$25) of paid investment can go a long way.

If you're interested in paid social, we recommend boosting—quickly putting money behind an existing post.

TO BOOST YOUR POSTS, FOLLOW THE INSTRUCTIONS BELOW:

ON DESKTOP

1. Navigate to your company page on Facebook.
2. Find the post that you'd like to put money behind and press **Boost Post**.
3. Select an **Objective**. We'd recommend **Link clicks** if you have a specific web page you'd like to drive traffic to, otherwise select **Post engagements**.
4. We'd recommend adding an optional **Post Button**. **Shop Now**, **Learn More**, **Book Now**, **Get Directions**, or **Send Message** are good options.
5. Select your target **Audience**. If you only want to target your fans, select **People who like your page**. We'd recommend either selecting **People who like your page and their friends**, or **People in your local area**. You can also build a custom audience (choosing demographic, geographic location, and interests) by selecting **Create new audience** in the bottom right corner of this section.
6. Choose your ad **Duration** and **Budget**.
7. Select the ad account that you'd like to use for this. Note: you'll either need to use your personal ad account, or an ad account associated with your business page. The option you select needs to have a payment method associated with it.
8. Press **Boost**.
