

“NATIONAL MOM & POP BUSINESS OWNERS DAY” CAMPAIGN

National Mom & Pop Business Owners Day is observed on March 29 to honor all small business owners. Invite your customers to celebrate the day with you – their local, independent pizzeria. This brief video captures the individuality made possible by being independently owned, and ties in with our [Independent Poster](#) that you can order and display in your shop.

TIMING: This campaign should be used leading up to **March 29** to increase engagement on your social channels and bring more foot traffic to your restaurant.

HOW MUCH TO POST: If you want to use these assets multiple times, we recommend spacing out posts by several days.

SUGGESTED POST COPY:

1. Just as you have your own way of eating your favorite pizza, being independently owned means we will always have our own way of making it! Celebrate #NationalMomandPopBusinessOwnersDay with us on March 29! #GrandeCheese

PAID SOCIAL ON FACEBOOK

Putting paid support behind your posts not only allows you to reach people who don't follow you (i.e. potential customers), it also allows you to reach *all* of your followers. Organic reach, the percentage of your audience that will see each post, has severely declined. This means that even a small amount (\$25) of paid investment can go a long way.

If you're interested in paid social, we recommend boosting—quickly putting money behind an existing post.

TO BOOST YOUR POSTS, FOLLOW THE INSTRUCTIONS BELOW:

ON DESKTOP

1. Navigate to your company page on Facebook.
2. Find the post that you'd like to put money behind and press **Boost Post**.
3. Select an **Objective**. We'd recommend **Link clicks** if you have a specific web page you'd like to drive traffic to, otherwise select **Post engagements**.
4. We'd recommend adding an optional **Post Button**. **Shop Now, Learn More, Book Now, Get Directions**, or **Send Message** are good options.
5. Select your target **Audience**. If you only want to target your fans, select **People who like your page**. We'd recommend either selecting **People who like your page and their friends**, or **People in your local area**. You can also build a custom audience (choosing demographic, geographic location, and interests) by selecting **Create new audience** in the bottom right corner of this section.
6. Choose your ad **Duration** and **Budget**.
7. Select the ad account that you'd like to use for this. Note: you'll either need to use your personal ad account, or an ad account associated with your business page. The option you select needs to have a payment method associated with it.
8. Press **Boost**.
