

How To Create A Grande Cheese Account (100-Percenter)

1 Navigate to <https://grandecheese.com/>

2 Click "Register/Log In"

3 If you have never used the website before please register by navigating to the "Register" section.

A screenshot of the "Register" page on the Grande Cheese Company website. The page has a white background with a large "Register" heading at the top, where the "R" is inside an orange circle. Below the heading is a "Grande Account ID" field. A note states: "If you have a Grande Account ID, please enter it here for immediate access. If you don't have yours on hand, no problem—just complete the form below, and we'll verify your membership to provide access as soon as possible." Below this are fields for "First Name" and "Last Name", followed by a "Business Name" field, a "Phone" field, and a "Business Address" field. The "Business Address" field is followed by a sub-label "Address Line 1" and another input field.

4 Fill out Grande Account ID to verify 100-Percenter Status.

Fill out required * fields.

Register/Log In

Thank you!

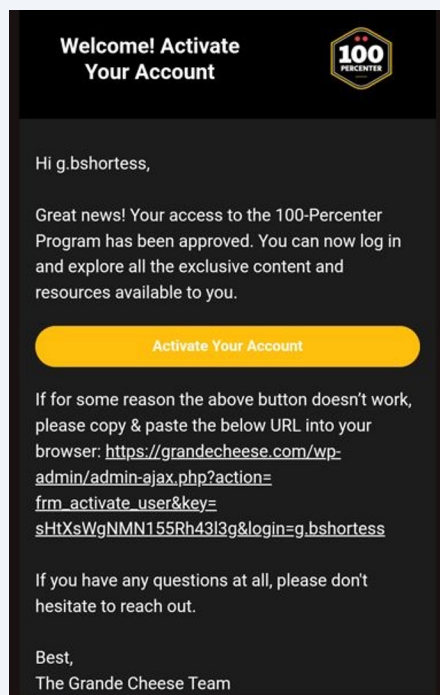

Thank you for registering! We're verifying your membership now. You'll receive an email once your access is approved, so keep an eye on your inbox (and spam folder) for updates.

7

Verify email address using button or link.

If the email went to the spam folder move it into the regular email inbox before verifying.

8

Once the screen confirms the account has been activated, you are ready to login and access exclusive 100-Percenter materials and content.
